AFFILIATIONS

The courses offered by the institution are approved by the Madhya Pradesh Nurses Registration Council, Bhopal and are affiliated to Madhya Pradesh Medical Sciences University, Jabalpur.

CLINICAL TRAINING / POSTINGS

Students are offered practical experience in 336 bedded multispecialty Mahaveer Institute of Medical Sciences and Research parent hospital. For community health nursing, the students are to be posted in adopted PHC & CHC rural and urban areas. Apart from this, for cancer posting students are sent to the Hospital with Cancer department and for psychiatric posting to the hospital with psychiatry department.

SCOPE

It is seen that in nursing, career can take many forms apart from working in a hospital that includes work in doctor's clinics, schools, prisons, corporate houses, insurance companies, home nursing, counselling amongst others. Nurses are there for almost every imaginable situation involving the health or illness of a person. The institution will provide opportunity to the deserving students to be absorbed as full-fledged staff nurses in MIMS hospital on a regular basis with salary as per the institutional scale.

Healthcare setups are the main recruiters. Nurses can be seen working in healthcare setups like –

- Hospitals (Government and Private)
- Clinics
- Nursing Homes
- Rehabilitation Clinics/Centres
- Community Health Centres
- NGOs

Apart from that, they may also find work in healthcare initiatives and schemes run by the Government (targeting communities and rural areas).

It is not uncommon to see Indian nurses moving to Australia, New Zealand, Europe, USA and Gulf Countries and plying their trade there. In fact, there is huge demand for qualified Indian nurses in those countries.
