

Sr. No.	Faculty Name	Publication in Vancouver Referencing Style	Indexing System
1	Dr. Pooja Baradia Asst. Prof. General Medicine	Study on Awareness of Hydroxychloroquine as Prophylactic Measure for COVID-19 among Healthcare Workers of Tertiary Hospital in Central India	Index Medisar Index Copernicus
2		Study on Awareness, Psychological Predictors and Vaccine Acceptance for COVID-19 in Healthcare Workers in Central India	Index Medisar Index Copernicus
		Prevalance of Hyponatremia in Pulmonary Tuberculosis: a retrospective : a retrospective observational study	Indian Citation Index
4		Study on Clinical and Laboratory Characteristics in COVID-19 related Death - A Retrospective Study in a Tertiary Hospital in Central India	Pubmed
5		A study of assess of Sexual Dysfunction in Post-Covid-19 patients	Embase
6		Study on clinical profile evaluation of patients with gestational diabetes mellitus	Embase
7		Complications in Scrub Typhus: A case series from Tertiary Care Hospital	Pubmed Central
8		Two cases of Upper Extremity Deep vein Thrombosis In ICU Setting - A rare condition	Pubmed Central
9		The study of the Possible Program related factors contributing to Drug Resistance in Tuberculosis Patients	DOAJ
10		To correlate clinical and biochemical profile of pleural effusion: a retrospective study in tertiary care centre of central India	Pubmed/Mediline
1	Dr. Navindana Asst. Prof. Pediatrics	A comparison of Full outline of unresponsiveness score and Glasgow coma scale for assessment of consciousness in children with acute Encephalitis syndrome.	Pubmed
1	Dr. Anjali Chari Asst. Prof. Obs & Gynec	Comparison of Post placental IUD with interval IUD	Pubmed
2		Trends of blood loss and blood transfusion during caesarian section - A retrospective study over 10 years	Embase
1	Dr. Yogesh Maran Asst. Prof. Gen. Medicine	Study of Hemoglobin MCV in type 2 diabetes mellitus patients and its correlation with complications of diabetes	DOAJ
1	Dr. Akansha Sahare Asst. Prof Obs. & Gynec	Efficacy of postpartum patient care delivery on a public tertiary care hospital in North India: Patient's Perspective	
2		To study the role of Mifepristone in treatment of Fibromyoma Uterus	
3		Investigating the prevalence of High-Risk pregnancy among pregnant woman in Local Health Care Centre: A comprehensive study	Embase
4		A study on non-descent vaginal hysterectomy (NVDH): A cross section descriptive study	

Sr. No.	Faculty Name	Publication in Vancouver Referencing Style	Indexing System
1	Dr. Hareesh Pathak Asst. Prof Pulmonary Med.	Clinicocardiological profile of Diabets Mellitus with MDR-TB	Pubmed
2		Silotary Fibrous Tumor - A rare site	Pubmed
3		To study Clinicoradiological Profile of Idiopathic Pulmonary Fibrosis (IPF) Patients	Pubmed
4		The study of the possible program related factors contributing to drug Resistance in Tuberculolosis Patients	DOAJ
5		To correlate clinical and biochemical profile of pleural effusion: a retrospective study in tertiary care centre of central India	Pubmed/Medline
6		To study the possible patient related factors contributing to Drug Resistance for Tuberculolosis\	Pubmed
7		Electrocardiographic Abnormalities in Patients with Acute Exacerbation of Chronic Obstructive Pulomony Disease	Pubmed
1	Dr. Ashutosh Singh Senior Resident Pulmonary Med.	To evaluate efficacy of histopathological analysis in diagnosing undiagnosed pleural effusions	Embase
2		A follow-up study of tuberculous cervical lymphadenopathy and evaluation of causes of non relolving	Embase
3		A clinical study of tuberculous lymphadenopathy cases presenting in a tertiary care hospital in M.P.	DOAJ
1	Dr. Indu Bala Mathaur Professor Forensic Med. & Toxicology	Radiological Study of Fusion of Tri-radiate Cartilage in hip bone in Bikaner Region in 14-22 years age Group	Index Copernicus EMBASE
2		Radiological Study of Appearance and Fusion of Iliac Crest in hip bone in Bikaner Region in 14-22 years age Group	Index Copernicus EMBASE
1	Dr. Vatsala Maheshwari Asst. Professor Pharmacology	Evaluation of adverse drug reactons caused by topical steroids in patients presenting in dermetology department of teaching institute of tertiray health care centre of Central India	Scopus
2		Study to record and assess the incidence of Adverse Drug Reactions in Pediatric Patients on Antiepileptic Drug reporting in tertiary Health care Centre of Central India	Embase
3		Comparative Study of Safety and Efficacy of Azilsartan and Telmisartan in Newly diagnosed Hypertensive Patients	Embase
4		A study of adverse drug reactions in patients with type II diabets mellitus in tertiary care hospital at Bhopal	Pubmed & Medicus
5		Assessment and Analysis of adverse drug reactions in outpatient department of mental hospital of a tertiary care teaching institute of Central India	Index Copernicus
1	Dr. Seema Tamrakar Asst. Prof. Biochemistry	Study of thyroid function and dysfunction during pregnancy intertiary centre of central india	Index Citation Index Google Scholar
2		Status of oxidant (MDA), anti-oxidant (SOD) in first and third tri-semester of normal pregnancy in tertiary centre of Central India	Pubmed
3		Study of trace elements (Mg and Cu) and Dyslipodemia in type 2 diabetes under mellitus (T2DM) patients presenting in a tertiary care of South East Asia	Index Copernicus DOAJ
4		A cross-sectional study of thyroid profile, Anti-TPO and iron levels with Uric Acid of melasma cases in tertiary hospital, Bhopal	Crossref
5		A Longitudinal Obervational Study og Micronutrient (Zinc) in Antenatal Women in Tertiary Centre of Central Hospital, Bhopal	Embase
1	Ms. Sabiha Naz Asst. Prof. Biochemistry	Association of mensural pattern with lifestyle factors among female medical students	
2		Can various blood gas be a reliable substitute for arterial blood gases in modern clinical practice?	

Sr. No.	Faculty Name	Publication in Vancouver Referencing Style	Indexing System
1	Dr. Rohan Gupta Dr. Priyanka Gupta	Assessment of histological parameters of Occult Metastasis in oral cavity cancers.	
2	Asso. Prof. Pathology	Histological variants and Tumor Heterogeneity in Colorectal Cancer	
3	Dr. Priyanka Gupta Asso. Prof. Pathology	Melanotic Schwannoma, a deceptive misnomer for a tumor with relative aggressive behaviour : a series of 7 cranial and spinal cases	
4		Entamoeba Histolytica infesting colonic malignancy: first series four cases	
1	Dr. Richa Jain Asst. Prof. Pathology	Study of Thalassemia and other Haemoglobinopathies in a reproductive age group by capillary haemoglobin electrophoresis system in a tertiary care teaching hospital	
2		Dengue : Profile of Haematological and Serological Dynamics	
3		Analysis of Prothrombin Time (PT) and Activated Partial Thromboplastin Time (APTT) in patients with acute myocardial infarction on anticoagulation therapy to assess the	
4		Analysis of Platelet Volume indices in patients with acute coronary syndrome in Gujarat	
1	Dr. Yogita Chaurasia Asst. Prof. Ophthalmology	To evaluate the posterior segment of the eye in patients with ocular trauma & analyze Ocular Trauma patients with or without opaque media	
2		Clinical profiles of patients with optic neuritis and papillitis: a prospective study	
3		To study the visual and neurological outcome after treatment according to ontt protocol	
4		Assessment of foveal thickness by Oct following Nd: Yag Laser Capsulotomy	
1	Dr. Pradeep Kumar Soni Professor General Medicine	A study of correlation between the echocardiographic changes with the duration and severity of chronic obstructive pulmonary disease.	
2		Study of Hemoglobin in pregnant women and its various effects on pregnancy outcome	
3		Profile of Bronchiectasis patients in a Tertiary Care Institute - A study from Central India	
1	Dr. Hakimuddin Malvi Asso. Professor General Medicine	Prevalence of Hypertension among patients with Type-2 diabetes mellitus at a tertiary level hospital in Central India	
2		Prevalence of overweight and obesity among MBBS students of Chirayu Medical College of Bhopal District, M.P.	
1	Dr. Jadhav Pavan Praladhras Professor Orthopedics	Meniscal allograft transplantation - A case report	Pubmed
1	Dr. Pendyala Surender Reddy Asso. Professor Orthopedics	A study on Etiology, Clinical Features and Management of Fracture Calcaneum in a Teaching Hospital	
2		A study of prevalence, complications and Management of Septic Arthritis	
3		A study on Management of Osteoarthritis with Intra Articular Steroids	

Sr. No.	Faculty Name	Publication in Vancouver Referencing Style	Indexing System
1	Dr. Swati Sharma Professor Obstetrics and Gynaecology	Changing Trends of various routes of Hysterectomy in Benign Uterine Pathologies - A comparative Study	
2		Comparative Study of evaluation of sensitivity and specificity of cytology and colposcopy for detection of precancerous lesions of cervix	
1	Dr. Shivani Badal Asso. Professor Obstetrics and Gynaecology	Prevention of Parent to child transmission : A RIMS review	
2		Maternal outcome of term obstetric emergencies referred to tertiary care centre	DOAJ
3		Comparative Study of Malpresentation in Tertiary Care Institute	
1	Dr. Kalpana Saxena Asst. Professor Obs & Gynec	To study clinico-cytomorphological pattern and its correlation with wet smears and alcohol fixed smears in different types of vaginitis\	
1	Dr. Mridula Singh Asst. Professor Obs and Gynec	Multifetal Gestation: Incidence and Risk Factors	
2		Geriatric gynecology: need and spectrum	
1	Dr. Akansha Sahare Asst. Professor Obstetrics and Gynecology	To compare the effectiveness of selective serotonin reuptake inhibitors (SSRIs), with hormone replacement therapy (HRT), for the managing menopausal symptoms, and their associated risks and benefits.	EMBASE
2		Investigating the prevalence of High-Risk pregnancy among pregnant women on a local health care centre: A comprehensive study	
3		Efficacy of postpartum patient care delivery in a public tertiary care hospital of North India: Patient's Perspective	
4		To study the Role of Mifepristone in treatment of Fibromyoma Uterus	
5		A study of Non-descent vaginal hysterectomy (NDHV): A cross sectional descriptive study	
1	Dr. Vijeta Sharma Asst. Professor Microbiology	Bacteriological profile with antibiogram of ventilator associated pneumonia in an intensive care unit of tertiary care centre.	DOAJ
2		Study of various isolates from Pus sample with their antibiogram from JLN Hospital, Ajmer.	DOAJ
3		Knowledge and awareness of HIV among first year MBBS students	DOAJ
4		Phenotypic characterization of <i>Acinetobacter spp.</i> Isolated from ventilator associated pneumonia in an intensive care unit of tertiary care centre	DOAJ
